If for any cause the city council shall fail, neglect or refuse to pass a tax ordinance for any one year levying taxes for that year, then and in that event the tax levying ordinance last passed shall and will be considered in force and effect as the tax levying ordinance for the year for which the city council failed, neglected or refused to pass such ordinance, and the failure so to pass such ordinance for any year shall in no wise invalidate the tax collections for that year.

(c) The city councilperson or any other officer of the city shall never extend the time for the payment of taxes or remit, discount or compromise any tax legally due the city, nor waive the penalty that may be due thereon by any person, but the city council may by ordinance provide for the remission, discount, compromise or waiver of penalty to all persons legally owing any taxes where such remission, discount, compromise or waiver of penalty is for any particular and specified year or years and applies equally to all persons, firms, or corporations owing taxes to the city for such year or years; provided, however, that this provision shall not prevent the compromise of any tax suit.

Provided, that a misnomer of or failure to name the owner in the assessment rolls shall not affect the validity of the assessment of any taxes; and provided, further, that when such taxes have not been attempted to be assessed for such previous year, such taxes shall bear interest only from date of the approval of the supplemental rolls. The tax assessor and collector may in any year reassess property which, because of irregularity in the assessment of any previous year, may have been improperly assessed; such reassessment shall be at the value at which it should have been assessed in any such year, and property owners of such property shall take notice of such reassessment, if made prior to the first of April of any year, but if made after such date, notice shall be given by the tax assessor and collector of the raising of an assessment. In the event that personal property of the taxpayer is delivered into the actual or constructive possession of a receiver, trustee, or other person because of insolvency, bankruptcy, receivership or otherwise, between January 1 and the date that the taxes are actually levied, then and in that event the amount of the taxes due shall be the same as was levied for the prior year for the same property and shall be secured by a lien in that amount.

(Ord. No. 5567, § 3, 1-23-89)

Sec. 14. Prima facie evidence of tax levy and assessment.

The provisions herein for the collection of taxes shall not be construed to prevent the city from filing suit in any court of competent jurisdiction for the collection of any taxes due on real estate, as well as personal property, and for the enforcement of levies for such taxes, and the assessment rolls shall be prima facie evidence of the facts stated in said rolls and that all taxes assessed on such rolls have been regularly levied and assessed in accordance with the provisions of this Charter and the state law; and no irregularity in the manner of levying or assessing taxes shall invalidate the same unless it appears from affirmative proof that such irregularity operated injuriously to the taxpayer attempting to avoid the payment of such tax.

If a majority of such votes be for the recall of the council member on the ballot, the council member shall, regardless of any defect in the recall petition, be deemed removed from office. When the mayor or

a council member is removed from office by recall, the candidate to succeed such officer who receives the highest vote shall be declared elected to fill the unexpired term.

(b) *Referendum.* The registered voters of the city shall have the power to require reconsideration by the council of any adopted ordinance and, if the council fails to repeal an ordinance so reconsidered, to approve or reject it at a city election, but such power shall not extend to the budget or capital program, zoning, or any emergency ordinance relating to appropriation of money, levy of taxes or salaries of city officers or employees. Sec. 2. Commence of proceeding; petitioners' committee; affidavit.

(a) Any five (5) registered voters may commence initiative or referendum proceedings by filing with the city secretary an affidavit stating they will constitute the petitioners' committee and be responsible for circulating the petition and filing it in proper form, stating their names and addresses and specifying the address to which all notices to the committee are

to be sent, and setting out in full the proposed initiative ordinance or citing the ordinance sought to be reconsidered.

(b) Within two (2) working days after the affidavit of the petitioners' committee is filed, the city secretary shall issue the appropriate petition blanks to the petitioners' committee.

(Ord. No. 2013-9464, Amd. 22, 5-22-13)

Sec. 3. Petitions.

(b) An initiative petition that is filed with the city secretary shall include a financial impact statement of the estimated financial consequences of the proposed initiative.

(c) All papers of a petition shall be uniform in size and style and shall be assembled as one instrument for filing. Each signature shall be executed in ink and shall be followed by the address of the person signing. Petitions shall contain or have attached thereto throughout their circulation the full text of the ordinance proposed or sought to be reconsidered.

(d) Each paper of a petition shall have attached to it when filed an affidavit executed by the person circulating it stating that he or she personally circulated the paper, the number of signatures thereon, that all the signatures were affixed in his or her presence, that he or she believes them to be the genuine signatures of the persons whose names they purport to be and that each signer had an opportunity before signing to read the full text of the ordinance proposed or sought to be reconsidered.

(e) Referendum affidavits must be filed within thirty (30) days after adoption by the council of the ordinance sought to be reconsidered, and referendum petitions must be filed within thirty (30) days after issuance of the appropriate petition blanks to the petitioners' committee.

(a) Within ten (10) working days after the petition is filed with the city secretary, the city secretary shall complete a certificate as to the sufficiency of the petition. The city secretary shall determine the sufficiency of the petition in accordance with state law. If the petition is found to be insufficient, the city secretary shall specify in writing the particulars wherein it is defective and shall send a copy of the certificate to the petitioners' committee by registered mail. A petition certified insufficient for lack of the required number of valid signatures may be amended once if the petitioners' committee files a notice of intention to amend it with the city secretary within two (2) working days after receiving the copy of the city secretary's certificate and files a supplementary petition upon additional papers within ten (10) days after receiving the copy of such certificate. Such supplementary petition shall comply with the requirements of subsections (a) and (b) of section 3 and within five (5) working days after it is filed the city secretary shall complete a certificate as to the sufficiency of the petition as amended and send a copy of such certificate to the petitioners' committee by registered mail as in the case of an original petition. If a petition or amended petition is certified sufficient and the petitioners' committee does not elect to amend or request council review under subsection (b) of this section within the time required, the city secretary shall present the city secretary's certificate to the council at the next regularly scheduled council meeting on which the item may appear on the agenda, and the certificate shall then be a final determination as to the sufficiency of the petition.

(b) A final determination as to the sufficiency of a petition shall be subject to court review. A final determination of insufficiency even if sustained upon court review shall not prejudice the filing of a new petition for the same purpose.

(Ord. No. 2013-9464, Amd. 22, 5-22-13)

Sec. 5. Referendum petitions; suspension of effect of ordinance.

When a referendum petition is filed with the city secretary, the ordinance sought to be reconsidered shall be suspended from taking effect. Such suspension shall terminate when:

Sec. 6. Action on petitions.

(a) When an initiative or referendum petition has been finally determined sufficient, the council shall promptly consider the proposed initiative or referendum ordinance in the manner provided herein or reconsider the referred ordinance by voting its repeal. If the council fails to adopt a proposed initiative ordinance without any change in substance within sixty (60) days or fails to repeal the referred ordinance within thirty (30) days after the date the petition was finally determined sufficient it shall submit the proposed or referred ordinance to the voters of the city. The election must be held on the next available general election date as established by state law, which election is called for any purpose than initiative or referendum.

(b) Copies of the proposed or referred ordinance shall be made available at the polls.

(c) An initiative or referendum petition may be withdrawn at any time prior to the date the election is called by filing with the city secretary a request for withdrawal signed by at least four (4) members of the petitioners' committee. Upon the filing of such request, the petition shall have no further force or effect and all proceedings thereon shall be terminated.

(Ord. No. 2013-9464, Amd. 22, 5-22-13)

Sec. 7. Results of election.

(a) If a majority of the registered voters, voting on a proposed initiative ordinance, vote in its favor, the ordinance shall be considered adopted upon certification of the election results and shall be treated in all respects in the same manner as ordinances of the same kind adopted by the council. If conflicting ordinances are approved at the same election, the one receiving the greatest number of affirmative votes shall prevail to the extent of such conflict.

(b) Referendum. If a majority of the registered voters, voting on a referred ordinance, vote against it, the ordinance shall be considered repealed upon certification of the election results.

(Ord. No. 2013-9464, Amd. 22, 5-22-13)

Sec. 8. Initiative and referendum—Failure of city council to act.
